

ASSURANCE OF CONTENT AND COPYRIGHT RELEASE FORM

This form must be properly filled out, signed, scanned and e-mailed to secretariarbz@sbz.org.br as soon as the corresponding author receives the Manuscript ID (from <http://mc04.manuscriptcentral.com/rbz-scielo>) confirming the submission of the manuscript. All pages must be initialed by the corresponding author.

This form should be e-mailed to the Technical Editor of Revista Brasileira de Zootecnia **up to 15 days** after the submission of the manuscript. Should the deadline not be met, the paper will be automatically disregarded and not considered for peer-reviewing.

If the manuscript is not accepted for publication, this affidavit shall have no legal effect and will be considered null and void.

Assurance of Content (check both):

— I, on behalf of all the authors, hereby affirm that the total or partial content of this manuscript (data including graphs, figures, tables, and illustrations), regardless of the language, is original and has not been published/is not being considered for publication elsewhere (except as abstracts or non-peer-reviewed proceedings of conferences).

— I, on behalf of all the authors, warrant that the journal content contributed in this manuscript is not libelous, unlawful, or otherwise actionable and does not infringe any copyright or violate any other intellectual property or privacy right of any person or entity.

Copyright Release:

I, on behalf of all the authors, hereby grant to *Sociedade Brasileira de Zootecnia*[®] – *Brazilian Society of Animal Science* all rights, including subsidiary rights, for the use of the manuscript/article and transfer all control over this material such as rights to make or authorize reprints, to reproduce the material and to grant the material to others without charge in any published material of which you are the author or editor after it has appeared in the Journal. The *Brazilian Society of Animal Science* grants to the authors the right of republication of their own material in any book, thesis, or dissertation of which they are authors or editors, and to post abstracts of manuscripts on the web at the time of submission, and once an author receives notification of acceptance, post to the author's website the peer-reviewed manuscript subject only to giving proper credit to the original publication of the *Revista Brasileira de Zootecnia*.
